

The Galilee Multicultural Theatre, Israel

The Galilee Multicultural Theatre from Israel presented at INFANT 2009 the touching performance that mixes “object theater” with music performed life by Wassim Bashara: “Neighbours”.

Pablo Ariel, actor and manipulator of various inventive objects, puppets and images, stated that their presence at 2009 edition of INFANT was a chance to experience different type of the audience. Actually he founded this festival audience more reserved, but nevertheless very attentive and perceiving of what was happening on the Grande Stage of Novi Sad Theatre.
